Personal statement

I did not have the opportunity to experience the blessings of a Christian home growing up. Yet when it pleased God He called me to Himself when I was 19 years old for salvation. I experienced the truth that “if anyone is in Christ he is a new creation” (2 Corinthians 5:17) Ever since then my life has been consumed with loving and serving God with my whole life. He has given me an insatiable desire to proclaim Him through His word. All I want to do with my life is to use the gifts and talents He has given me for His glory. My heart cry is to Know God more and to make Him known. I have a heart to see the lost come to Jesus and then to see them discipled. I love teaching the bible chapter and verse and helping others to learn how to study and feed themselves. I come from a Calvary Chapel church. I adhere the Baptist faith and message, and it goes without saying I uphold the fundamentals of the Christian faith that was once and for all delivered to the saints (Jude3).
